Online Access Links Enhancement

- **Problem:** We weren't showing online access links for journals in search results because we were relying on slow APIs
 - Implemented lazy-loading of online access links in search results and item pages
 - Using SFX APIs directly with Rails caching

- JHU's implementation does not use Fedora

The screenshot shows the top navigation bar with links for Sheridan Libraries, Welch Medical Library, SAIS Library, Friedheim Music Library, and APL Library. On the right, there are links for Contact us and Log in. Below the navigation bar is the Johns Hopkins University logo and the text "SHERIDAN LIBRARIES". To the right of the logo is a search bar with a "Search" button and a link to "Advanced Search". The main content area features a blue header with the text "HOPKINS DIGITAL LIBRARY" and "Collections and scholarship from Johns Hopkins University". Below this header are two main sections: "Library Collections" and "JHU Scholarship". The "Library Collections" section includes a thumbnail image of a traditional Chinese landscape painting and a description: "Search digitized historic photographs, advertisements, texts, and more from JHU's unique library collections". The "JHU Scholarship" section includes a thumbnail image of a student in a blue "I'M FIRST" sweatshirt pointing at a whiteboard with mathematical equations and a description: "Find publications, theses, and dissertations by JHU faculty and students".
